

SYSTÈME MONTESSORI CHEZ DENYSE SUMMER NATURE CAMP 2019 FOR CHILDREN 3 TO 5 YEARS OLD

Welcome to a fun and adventurous time in nature where we apply the same Montessori principals which we use in our school to make summer camp a real learning experience your kids will love to remember. Nature is at the heart of our summer camp since we are nestled in the woods of Morin-heights, we take full advantage of our surroundings. During camp your child will learn about the outdoors, knots, wide games, nature crafts, camping skills, in addition to help widen their horizons we will have special guests and activities based on the weekly themes.

Our summer camp is completely bilingual and we help the child develop a confidence and respect for nature, expand their creative mind via all the crafts and weekly themes, and let us not forget our daily swimming lessons. Maybe your child will even encounter some deer roaming freely on the land.
